

Dear

Due to the evolution of the COVID-19 and following the state and regional indications, we inform you that Cabopino Golf will **close the facilities from Sunday 15th March until Monday 30th March.**

During the above quarantine period, all bookings already in place will not be subject of charge, and those that have already been settled will be reimbursed.

We are going to be closed, except for the minimum service which will be dedicated to the maintenance of the golf course areas. In the other hand our staff will be available on **reservas@cabopinogolfmarbella.com** & **0034 951607004.**

We apologize for the inconvenience this may cause, but they are measures aimed at helping to minimize the consequences of this pandemic and always following the instructions of the competent authorities.

We thank you for your collaboration.
